

Coaches, Parents, Guardians and Spectators,

Due to the size and popularity of the tournament, this year the Haunted Classic will again provide offsite parking with shuttle service to the John Ankeney Soccer Complex (ANK).

While it is not typically required to park in the off-site parking, the long wait periods during game changes and the frustration of trying to get out of the complex will be reduced if you choose to park in the off-site parking location. If traffic becomes so congested at ANK that we can't get additional cars into or out of the complex you may be required to park at the off-site location.

We still encourage everyone to carpool where possible and use the off-site location if you would prefer a less stressful search for a parking spot. The off-site parking is located at Trebein Elementary School, 1728 Dayton-Xenia Road, Xenia, OH, 45385. The map below shows the pick-up location at Trebein Middle School and the shuttle will drop you off at ANK at the location marked on the ANK shuttle map also shown below.

The off-site shuttle will run on Saturday and Sunday at the times listed below.

Saturday 8:30am-7:30pm\*\*. (\*\*The last bus pick up from ANK will be at 7:15pm)

Sunday 8:00am -7:00pm\*\* (\*\*The last bus pick up from ANK will be at 6:45pm)

Please be aware that buses will run roughly every fifteen minutes but this could vary based on usage and the traffic congestion at ANK.

Also, please take into consideration that the bus trip is roughly 10-15 minutes long in one direction, depending on traffic. As a safety measure, we do not allow anyone under the age of 18 to ride our buses without the supervision of a parent or guardian.

If you do advance to the finals, you might consider catching a bus back to the offsite parking after your last round robin game to bring your car back to the complex as parking usually frees up in the early afternoon at ANK once the preliminary rounds finish. You can also just take the bus back but keep in mind the last pick-up from ANK is at 6:45 p.m. on Sunday.

Thanks

Haunted Classic
